

By clicking on Lemma(s), a specific word can be chosen for the search.

Class:			
Subclass:			
Degree:			
Lemma(s):	any lemma		
AGREE:	Proximity:	< any >	< any
any		<input type="checkbox"/>	<input type="checkbox"/>
any		<input type="checkbox"/>	<input type="checkbox"/>
Position:		none	none

The lemmas will appear corresponding to the chosen CLASS Type. In this case the search item is μένω, a verb, so the lemma list will consist of the verbs in the New Testament text. Type in the first few letters and you will see the list immediately scroll to match the letters you type. When you see the word you want, click to highlight that word, then click Add. The word will then appear in the right-hand window ready for searching. In this case, see μένω in the right-hand window.
